Friday Prayer Vigil

On the first Friday of each month, there is a prayer vigil to lament executions and pray for an end to the death penalty. This gives people a place to pray together as a faith community in response to the injustice of the death penalty. There is time for guided prayer, petitions, Scripture reflections, and contemplative silence. The vigils feature the voices of Catholic bishops, Church leaders, and allies across the death penalty abolition movement. For more information, visit:
